

**TESSA GmbH KG**  
**(Filiale Bytom)**

31-354 Kraków, ul. Pasternik 94A

Kraków, dated 28-03-2012

**LETTER OF REFERENCE**

TESSA Spółka z ograniczoną odpowiedzialnością Sp. K. seated in Kraków at Pasternik 94 A acknowledges that FOMACH, between 18 October 2012 and 1 February 2013 performed assembly and installation works in EC „Czechnica" plant in Siechnice.

**The works covered:**

1. Installation of approx. 1000 lin.m. of central vacuum system pipeline.
2. Installation of two cyclone filters with supporting structure and demolition of existing and construction of new foundations for external cyclone filter.

We recommend FOMACH as a reliable and trustworthy partner well prepared for complex performance of tasks involving assembly of machinery and installation of industrial systems. Experienced staff as well as technical resources and organisational skills guarantee to quality service performance. The works entrusted were performed in a professional manner and within time limits prescribed in the work schedule.

FOMACH is worth recommending for investment projects.

With best regards,  
Damian Demarczyk
