LETTER OF REFERENCE

FOMACH Sp z o.o. Sp. K" performed for us disassembly and assembly works as regards flues, exhaust louvers, and expansion joints in the boiler room during Stage I and II in the premises of EDF Kraków S.A., between July 2014 and September 2014.

Both disassembly and assembly works, comprising, inter alia, MIG/MAG and MMA welding were performed with extreme care and in compliance with all OHS standards and principles. FOMACH performed the work entrusted in a professional manner and within time limits prescribed in the work schedule.

We recommend Fomach as a reliable partner having adequate resources and well-qualified staff.

This letter of reference is given upon request of FOMACH Sp. z o.o. Sp. K seated in Brzesko.

With best regards,

Presidet of the Board of PMP Sp. z o.o.

Marek Kwasek
