**LETTER OF REFERENCE**

**FOMACH** Spółka z ograniczoną odpowiedzialnością Sp. K. upon our commission performed the works related to installation of SCR denitrifying system in the premises of Soda Polska CIECH SA plant in Janikowo. The works involved installation/assembly of:

- steel structures,
- flues and reactor of boilers K1 and K4.

Both disassembly and assembly works, comprising, inter alia, MIG/MAG and MMA welding were performed with extreme care and in compliance with all OHS standards and principles.

**FOMACH** performed the work entrusted in a professional manner and within time limits prescribed in the work schedule.

We do recommend **FOMACH** as a reliable partner having adequate resources and well-qualified staff to perform such tasks.

Director of Production, Mariusz Wandor
