

## **Samsung Electronics Poland Manufacturing sp. z o.o.**

64-510 Wronki, ul. Mickiewicza 52

Wronki, dated 20-05-2013

### **LETTER OF REFERENCE**

Samsung Electronics Poland Manufacturing Sp. z o.o. seated in Wronki, ul. Mickiewicza 52 hereby acknowledges that FOMACH, between 05 November 2012 and 18th December 2012, performed disassembly and relocation works in Fabryka Lodówek plant.

#### **The works covered:**

1. Disassembly and relocation as well as preparation for re-assembly of the line for forming doors to OLMA 1 and OLMA 2 refrigerators
2. Disassembly and relocation as well as preparation for re-assembly of the line for forming Meccanica Stampi fridge shells
3. Disassembly, relocation and re-assembly of a set of eight gasket welders
4. Relocation of two lifts along with casings

We recommend FOMACH as a reliable and trustworthy partner well prepared for complex performance of tasks involving relocation, assembly, and disassembly of machinery and production lines.

Experienced staff as well as technical resources and organisational skills guarantee to quality service performance. The works entrusted were performed in a professional manner and within time limits prescribed in the work schedule.

FOMACH is worth recommending for investment projects.

With best regards,

Krzysztof Citkowski, A. Manager, REF Maintenance
