

Plastic Omnium Auto Exteriors Sp. z o.o.

Kleszczów, 30.03.2016

LETTER OF REFERENCE

PLASTIC OMNIUM AUTO EXTERIORS Sp. z o.o. with complete confidence recommends FOMACH as a reliable business partner in construction work services. Between June and September 2014, in the premises of PLASTIC OMNIUM AUTO EXTERIORS Sp. z o.o. in Kleszczów, FOMACH performed the following task:

Construction of storage shed with access road

The above task included:

- Supply and assembly of steel structure (48 tons)
- Performance of reinforced concrete works, including supply and erection of pre-fabricated piles
- Installation of electric wiring system, including indoor and outdoor lighting
- Construction of access road for heavy commercial vehicles

The cooperation with FOMACH during the work performance was smooth and the employees showed commitment and flexibility, bot in terms of working hours and task delivery. The works entrusted to them were completed efficiently, timely and competently.

We are fully satisfied with the results of the works commissioned with FOMACH and, therefore, we can honestly recommend the company to others.
